

WorkMotion: The only EOR your legal team will trust

WorkMotion transforms workplaces by making it easier than ever to **hire internationally** regardless of national borders.

Built with renowned **German efficiency**, we're a leading European force connecting employers with top-tier global talent.

We don't just talk about **compliance**, we live it. Our services are built on a bedrock of compliance, ensuring employers and employees can always trust us to do things the right way.

We empower companies to scale their teams worldwide without the headaches and exorbitant costs of setting up local entities. Our platform automates tedious onboarding, streamlines global payroll, and unlocks access to talent in over **160 countries** – swiftly, seamlessly, and with exceptional compliance.

“WorkMotion streamlined the hiring process, saving us time and reducing risk. This allowed us to expand our team with top talent from Germany without the need to establish a local entity.”

Rodolfo von Runckel
Co-Founder, Robo Consulting, Spain

Our solutions

Employer of Record

Hire in 160+ countries through our Employer of Record (EOR) solution. Our subsidiaries and network partners make this process fast and 100% compliant.

Ideal for:

- Hiring abroad extremely fast
- Global expansion
- Minimum effort

Direct Hiring

Grow your presence in Europe and beyond. Personalise your talent contract, offer customised employee benefits and retain your brand equity.

Ideal for:

- European market entry
- Long-term hiring
- Brand ownership

Contractor Management

Hire global contractors & freelancers. Our platform protects your business and handles all the compliance details, so you don't have to worry about misclassification.

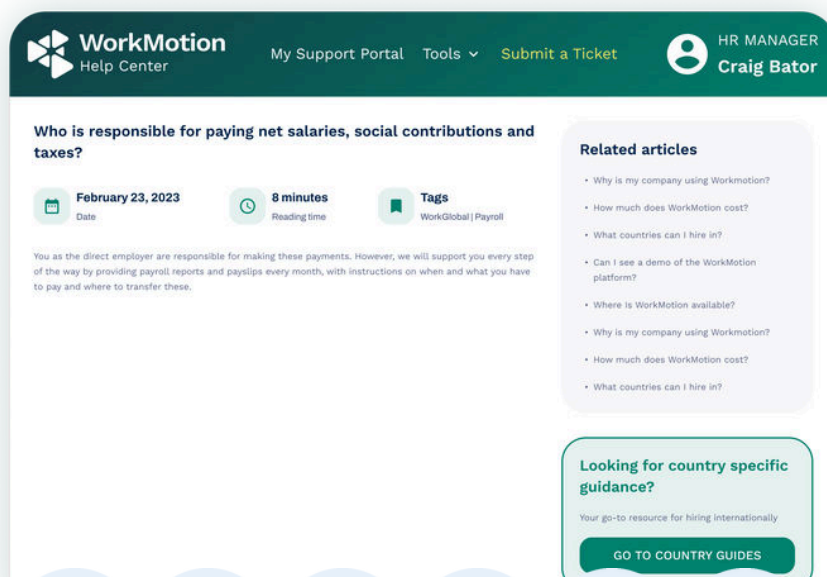

Ideal for:

- Flexible project-based work
- Freedom and autonomy
- Minimal risk

“The implementation was straightforward and smooth.

WorkMotion has one of the best support I have ever encountered when it comes to SaaS tools.”

Mathias Rehmund
HR Generalist at KOGIT

Why WorkMotion?

Unmatched compliance

Our properly licensed entities, contracts and in-house experts ensure you never find yourself in tough legal spots. Hire globally with confidence, knowing your business is protected.

Effortless hiring

Don't accept long email threads and turn-around times. We offer 10 minute onboardings, automated contracts and a platform that reduces complex legal processes into a few clicks.

Personalised support

Get your issues resolved within hours. Our dedicated team of HR & legal advisors guides you every step of the way. But we'll let our Capterra and TrustPilot reviews do the talking.

Crystal clear transparency

Our pricing is clear and upfront. We don't charge an extra onboarding or service fee. No hidden charges, no unexpected markups, no surprises.

Value for money

Never wonder how much global hiring will really cost you. Our price starts at €499 for premium EOR services which is a huge bargain if you consider the costs of setting up your own legal entity in another country.

Why our customers choose us

“From the consulting in pre-sales, to onboarding and the ongoing operations all went smoothly with WorkMotion.

- Professional onboarding
- Fast & high quality customer support
- Transparent and easy billing”

Martin E, CFO, Tidely

“The CS team is always super fast, helpful and very friendly. Also, the sign-up for a talent is quick and easy as well. I really love it.” -

Jule Bock, Head of People at Heyflow

“I’ve worked with other EOR providers & never had a good customer support experience. With WorkMotion I have a dedicated account manager and I’m able to reach out to them anytime.”

Frances Völkel, Sr. People Manager at We Love X
